Dear Ken:

I have again carefully studied our file on George Orr. Since he was placed on the file so recently, I would suggest that he be maintained on the file at the present time. I do feel that I would be willing to analyze his file again when ten years have passed from the time he was refused registration and placed on our Confidential File.

A review at the ten year period would certainly be in time enough for him to be able to participate in Scouting with any of his own children.

If you agree with my decision, we'll let it rest there for the present.

Dear Paul -

Thanks for the enclosed. - Confrontation on our part produced the expected results. His question to us was "Do we ever remove someone from our list?" Being a former professional he, of course, is very much aware of how we operate.

Now being married and gainfully employed, he is desirous of cleaning his slate, if at all possible. He took it upon himself to secure the enclosed letters since he states that he now has sons of his own and is looking forward to their participation in Scouting - and of course, would very much like to be a part of it with them.

No pressure on his part for my inquiry - It just is for my information with him and with our Explorer Executive Dave Jettinhoff.

I'll now leave things in your hands and will wait on your reply.

Sincerely
Ken Browne
Scout Executive

Dear Ken:

You recently sent us an application for George F. Orr, registering as District Committee, for District 8606. We know this is the same man as we have on our Confidential File and we regret to inform you that we cannot accept Mr. Orr's application.

When informing Mr. Orr about this, simply tell him that the National Council does not wish to accept his registration in the Boy Scouts of America. If Mr. Orr should raise any questions as to reason, you might indicate to him that registration in the Boy Scouts of America is a privilege and not a right, and that National Council reserves the prerogative to accept those individuals it feels will best serve the interests of the organization.

Dear Mr. Jettinghoff:

Mr. George Orr has asked me to review my old files on his case and send a letter to you releasing information contained therein in regarding his contact with me in 1969.

I have not seen Mr. Orr since that time.

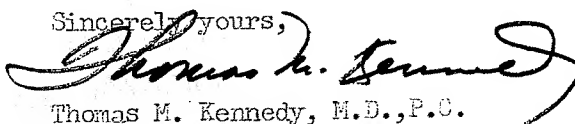

In 1969 on July 28th Mr. Orr was referred to me following a sexual episode at the boy scout camp in mid July that involved mutual masturbation with a sixteen year old youngster. The initial visit and the subsequent two visits on August 1st and August 5th completed a diagnostic evaluation. I also started him on Valium 5mg three times a day with some considerable relief to Mr. Orr.

I found no evidence of psychosis or organic brain damage. While he was harried and under a great deal of pressure both from without and from within, being a somewhat compulsive individual, he did not appear to have a history of marked sexual deviation. He had stress not only on his job at the time with the scouts who were having organizational problems and camp staffing problems but also from his personal life. He had gotten engaged at this time as well and was having difficulty with getting appropriate relief from duty and pressures.

I regard the incident as a solitary one and the case was closed after his third visit.

I trust this information will be of some help to you in planning with Mr. Orr's future activities in scouting.

Sincerely yours,

Thomas M. Kennedy, M.D., P.C.

Dear Mr. Jettinghoff,

This letter is to help clear the record of George F. Orr.

He has been a faithful member of this Parish. He is a Lay-Reader and Minister of The Chalice, and at our Annual Parish Meeting of January 1975 he was elected Senior Warden of the Parish.

He has worked diligently and helpfully with our committees on the Ministry and Christian Education. He is a father and faithful husband.

I would hope that whatever incident caused his black-listing in the past would now be able to be erased.

Respectfully yours,

I believe you will find the enclosed letter of resignation from George Orr, Central Connecticut Council, Meriden, Conn. and supporting material from Scout Executive Stanley Kostokas self-explanatory. However, if you should need further information, please let us know.

RE: GEORGE F. ORR, DISTRICT SCOUT EXECUTIVE

On Tuesday, July 22nd, while on vacation in Maine, I received an urgent phone call from my President, Dr. Robert B. Boyd, stating that there had been a sexual incident at camp - that a Mr. [REDACTED], and a Mr. [REDACTED]...Program Director and Provisional Scoutmaster respectively...had been to see Mr. William Wheeler, an Executive Board Member, for advice, since they did not know how to contact the Scout Executive without going through Mr. George Orr, District Scout Executive. They accused Mr. Orr of performing an indecent and immoral act on one Scout, [REDACTED] and attempting a sexual act on another Scout, [REDACTED]. Upon arriving in camp that evening, I immediately confronted Mr. Orr with the accusation. He admitted the accusation. I then spoke to [REDACTED], and asked him to explain to me the incidents that took place. Mr. [REDACTED] related that very late in the evening, on Friday, July 18th, while he was in his tent, [REDACTED] a Junior member of the Camp Staff, approached him, very disturbed and upset - he did not know what to do. He related to Mr. [REDACTED] that on three different occasions, Mr. Orr had made indecent approaches to him (he described them). Mr. [REDACTED] quieted [REDACTED] down, and moved his tent near his own. Mr. [REDACTED] then confided in [REDACTED], a close friend, and they deduced that if Mr. Orr had attempted this on this Scout, that he must have on others also. Next day, Saturday, July 19th, they enlisted the aid of [REDACTED] to find out who else had similar situation. In a few hours, he returned, and stated that [REDACTED] had had an act performed upon him the first week of camp. At this, they enlisted the aid of the Camp Nurse, Mrs. Hervey Moores, on who to tell, and she suggested the Scout Executive. They said he was away, so she sent them to Mr. William Wheeler, an Executive Board member, who in turn called the Council President, Dr. Robert B. Boyd.

RE: GEORGE F. ORR

After talking with [REDACTED], I spoke to [REDACTED]. He related what had transpired. I asked him why he did not speak up, and he simply stated "He was the Camp Director." I again, the following morning, Wednesday, July 23rd, confronted Mr. Orr. He again admitted the acts, and broke down and cried. I made him realize he would have to leave Professional Scouting, and asked for his resignation. I also, at this point, talked with George Orr regarding psychiatric treatment, and when he agreed, I made an appointment for Monday afternoon, July 28th, with Dr. Thomas M. Kennedy, in Meriden.

It is with deep regret that upon the advice of my physician I resign my position with the Central Connecticut Council due to health and extreme fatigue.

I ask that I be placed in Transition with the National Council, Boy Scouts of America.

I hope that my tour of duty has assisted you to bring more and better Scouting to the Central Connecticut Area, and that Deer Lake Scout Reservation has given its 1969 Campers a good season.

My best wishes to you for continued success.
